## Dr. Michael Jennings Eaglesoft Medical History Version 17

Patient Name:

Birth Date:

Date Created:

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for answering the following questions.

ast History								•	
Have you been seen as	a patient here	in the past?	Yes <	) No
